CHAPTER 1: Claire Shin

As I open my eyes to the annoying sound of my iPhone's alarm, I remember that I have to go to school. I get up, brush my teeth and get some breakfast to eat. As I eat my breakfast, I think about the annoying day ahead. However, the thought of my friend, Lewis, brings just a tiny spark of hope to my day.

Oh right. You don't know who Lewis is. Lewis is one of my friends. However, the thing is- I have a massive crush on him. Lewis is so cute and I enjoy spending my time with him.
